2nd Auditor, Treasury

Sir - I have received from you, an answer to my letter, addressed to Maj. A. S. Miles, Asst. to Ch. Engineer, in relation to an error, on the 4th page of Voucher No. 9, of my accounts for the 4th quarter of 1862.

The error occurs, only upon the copy of the voucher, returned to your Department - being an omission of \$6.00 in the column of amounts, opposite the signature of Gen. Heintzelman. The duplicate, in my possession is correct.

You say, if I will send you the duplicate, with a proper explanation, that you will credit me with the amount. I enclose it herewith, and hope that you will think the above statement a sufficient explanation. Can you not retain this copy of the voucher, as a substitute for the other, and return the other to me? If not, please return me this one - as soon as you have examined it - care of Ch. of Eng. I am, very respectfully yours &c.

General

I came here some ten days since on private business of importance ~~with~~ the War Department. The late attack upon the City prevented my attending to it for several days. That time consequently was lost to me. Now I find my leave about to expire, and my business but barely entered upon.

I have offered my resignation to Mr. Seddon, Secretary of War. The offer, however, was not made regularly. He requires of me to bring it up through the usual channel. To do so will take ~~two~~ ^{twenty} days, and as I deem it of great importance to myself to be here in Richmond in person to attend to this business, and as it is of the essence of my application to be on leave during its consideration, I have the honor to ask you to extend my leave for ~~twenty~~ ^{twenty} days.

It is the more necessary to me to have the extension because to return to the Army will be ~~out of the question~~ ^{out of the question}.

His resignation will
take effect 1st Dec. and
he is to go abroad

Richmond Va. Oct 4. 1864

Sir

I have the honor to receive from you the
resignation of my commission as Major
in the Signal Corps of the Department
- to take effect on the first of De-
cember next, - and to ask for such pa-
pers as will enable me to get a pas-
port to go abroad.

I am not a citizen of the Confed-
eracy. I came here in March 1862 from
the State of California (of which I was a
citizen) for the sole purpose of entering
the military service of which I did im-
mediately on my arrival. I have been
in it on active duty ever since - from the
battle of Shiloh, where I had the honor
of serving on the personal staff of Gen
A. J. Johnston, until after the late bat-
tle of Jonesboro, Ga.

Under these circumstances I
feel myself entitled to retire from the
service, and I therefore shall not
embarrass the Department with the
reasons which induce me to do so.
My intention is to go to Mexico, and sit

with that view I offer to resign.

I shall be pleased if you will accept
my resignation and free me such a letter as will
enable the Dept. to pass and secure me from
interference until I leave the country.
which I propose to do within two or three
months.

A leave of absence until the first
of December will also be necessary
to my movements.

I hope it will not be thought
amiss for me to say that I return from the
service with undiminished affection for
the cause, and with the most fervent
prayers for its success. I shall always
consider it my highest title to honor to
have borne arms in it, and I look
to that fact to attest my sincerity
now.

With distinguished consideration
I am, Sir, your obedient servant

William Benham

Sir,

I have the honor to acknowledge the receipt of your letter of 8th inst.

You are right in supposing that I was not aware of the facts in relation to the regiment of Col. Gillespie when I ordered it to be disbanded and I am gratified that you retained the order without execution till you could hear from me.

I thought the regiment was one raised by Col. Gillespie and tendered directly to the Confederate States, and my order had been so explicit and unambiguous that we could receive no warning twelve months now that I at once directed it to be disbanded. If I had been aware that it was raised by Col. Harris, and that he had undertaken to arm it within a reasonable time, I should certainly have been satisfied with his assurance, and should never have been guilty of the discourtesy of evincing any doubt of his intention to arm the regiment by requiring that the arms should be given in advance.

Pray present this apology to Gov Harris, and
tell him that if he knew the incessant and inju-
ous attempts to force by inaction the acceptance
of twelve months unarmed men against the stern
refusal of the Department he would not be
surprised at any effort to repress promptly, our
disingenuous practices

The Commissary General has employed the following named persons in Tennessee to contract for hogs and cattle for the use of the army, viz -

1 J. H. Craigmiles

2 Williams & Lancaster - of Bristol

3 D. Morris & Co. of Morristown

4 Wilson & Johnston of London

5 Wilson & Armstrong of Nashville & Clarksville

6 McComy, Cummings & Co. of Shelbyville & Chattanooga

The above named parties and their agents have made large contracts for the purchase of these hogs and cattle, but some of the infamous speculators who are a curse to our cause are going about endeavoring to make the parties who agreed to sell, break their contracts, by offering higher prices -

The army must be fed, and I beg that you will use your military force and direct your subordinates to do the same to force the men who have agreed to deliver to the Government to comply with

then contracts saying their stock, when
applied to for that purpose by the government
agents, and giving them in payment the
price agreed on -

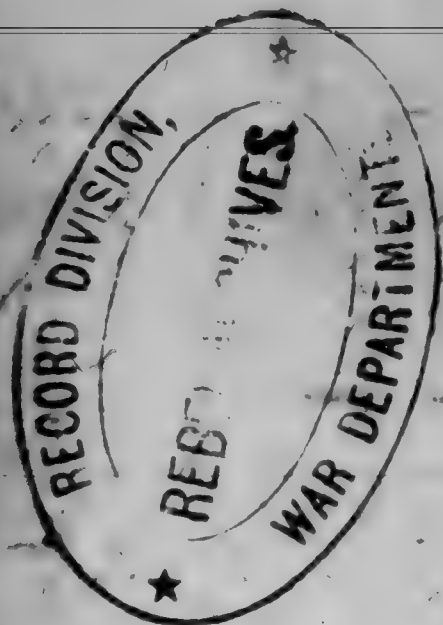

Then who bargained to sell hogs at
six cents by written contract have exacted
seven and even eight cents and are now
threatening still further exactions by
avowing the purpose to sell to speculators
at higher prices in spite of their pledged
faith - In such a case I have no
hesitation in urging you to employ the
strong arm of the military power to save
our army from suffering and starvation -

I confine this request solely
to cases where men have made contracts
and are now disposing of their hogs and
cattle to others who offer higher prices than
the government bargained for -

So unshaken in their sacrifices and
contributions in this war, that it is due
to them that the utmost confidence be
reposed in their patriotism and readiness
to aid in the supply of the army - We
prefer to buy at somewhat high prices to
making any seizures or improvements of
property - We have left commerce free in
every thing but the arms and munitions
of war indispensable for defence - There
is no danger of any deficiency in the
supply of bread - It can always be
procured at reasonable prices - Our people
are jealous of their liberties and impatient
of any control over their private rights
not clearly necessary - For these reasons the
President thinks that there was error
of judgment in the embargo laid by Genl
Tolt on the trade in grain and he
desires that the obstruction to free
commerce imposed by that embargo be
removed -

but have as yet received only
telegrammatic despatches of the results of the
battle at Richmond, but enough is known
to inspire us with the liveliest joy and
to make us impatient for such further
details as may enable us to express to the
generals and their gallant troops our high
sense of their conduct.

Confederate States of America,
WAR DEPARTMENT.

Richmond, 10th November 1864.

Dear Sir

I now renew my reply to
your favor of 22^d Ult^o, on some points not
before answered -

1. I concur entirely in your view about
the arrangement of the Commissariat at
Nashville - and I have ordered Capt T.
D. Jackson's promotion to Major in the
Commissary Department, and specie has been
ordered up from Savannah to be sent to
him so that he may obtain Kentucky bank
notes for his purchases -

2. The President and Cabinet consider that
the act of Congress prohibiting the exportation
of certain commodities from the Confederacy
except through sea-ports, not applicable to
such portions of Kentucky as are held by our
armies under military rule - at the same time
the policy of the government would be violated
by introducing articles not required for the
consumption of the people - we therefore
suggest as the best plan that you announce
that you will issue licenses to freight boats

with your laws for the introduction of
such Southern products as sugar, molasses, &c.
&c. (but not cotton or naval stores) as
shall suffice for the consumption of the
inhabitants, taking care not to allow any
to cross your lines into the portion of the
Country occupied by the enemy -

3- Whatever may be our rights if we consider
Kentucky to be in a state of war against
us, it is not considered proper to exercise
them as regards any taxation of the
inhabitants - On the contrary, we think
it would be advisable to issue a proclamation
declaring that your army will protect the
people against the collection of a tax to
which they have not consented and which
has been imposed on them by a body of
men assuming to be their legislators but
who were compelled by the threats and display
of despotic power to levy taxes known to
be in opposition to the view of the people
and intended for the prosecution of a war
against their brethren which the people
of Kentucky have solemnly denounced
as unjust and unconstitutional at a time
when they were able to express their will

unanswered by the brigadier -
4 - Since my last letter the President has
as you requested, appointed Major Stuart,
a Brigadier General - you will be able to find
some Stuart and we were unable to find
out who the officer was till a letter from
himself enabled us to locate him -

5 - The President has also appointed General
Cottenden to be Major General, to take
Command of the Cumberland Gap District
where we hope to send reinforcements almost
immediately and where the Command
will be too large for a Brigadier - He
will report to you by letter -

With the addition of these two generals
to General Breckinridge and Marshall
recently appointed, it is supposed that
the number of your general officers will
be sufficiently increased to enable you to
organize your forces effectively for the
present and avoid the necessity for further
appointments till the developments of the
Campaign shall indicate what of your

officers really merit promotion to such
high rank -
6 - I fear it will not be possible to appoint
a Colonel for the 3rd Regt. as proposed by
General Grant. The Lt. Col. has a right to
succeed. The Lt. Col. has a right to be
promoted under the law unless a competent
and a that even the major must be
promoted over him. The promotion must be
regular service - You are able to report that
there is no Commissioned officer in the
Regiment competent to be Colonel, in
which event the President would be
justified in making an outside appointment.

7 - A petition has been sent to the President
by the Chamber of Commerce of Memphis
promoting against the action of Grant
Polk in interfering with the free Commerce
in grain - This action of Grant Polk is
not approved by the Government and is
in violation of the policy we have made
it a special point to pursue in all
parts of the Confederacy - our people
have been so generous and have been
their support, and have been

a Colonel for the 3^d Regt. by

you - The Lt. Col. has a right to

one is found in that event the Major must be

Sir:

Your telegram has been received, respecting the funds, and I have several times asked what arrangements had been made to obtain funds that would answer in Kentucky — gold not being available. I am compelled to put up with what the Secretary of the Treasury assures me is the best that can be done, and I think that it would be as well to assume at once that the Confederate notes are the best funds on the continent, and that our friends must take them, and that we will take the goods of the unfriendly and secure their good wishes by making them interested in the soundness of our credit.

While writing on this subject let me commend to your kind attention my agents. Please cooperate in this beef and bacon question with them.

Order, are in the meantime respectfully

REGULATIONS

Under the Act of Congress, providing for the Granting of Bounty and Furloughs to Privates and Non-commissioned Officers in the Provisional Army.

I. Captains or Commanding Officers of twelve months' men will, under direction of Regimental and Battalion Commanders, make out duplicate muster rolls of their Companies, noting opposite the name of each man desiring to renew his enlistment for two years from the expiration of his present term of service, the following remark, "Enlistment extended for two years—bounty due, \$50"—inserting the date of the remark.

As soon as the intention of each man is thus ascertained, report will be made to the Commanding Officer of the army in which the troops are serving. The Commanding Officer will thereupon cause his Inspector General or other officers assigned for that purpose, to verify the rolls, and muster into service, for said additional term, all that are fitted for service. One of the rolls, thus verified, and certified by the inspecting officers, will be sent to the Adjutant and Inspector General. The other will be given to the company commander, from which to make out further muster rolls.

II. Whenever the number of men in a company who re-enlist, shall suffice to form a new company, according to the number required by law, the men thus re-enlisted shall have the right immediately to reorganize themselves into a company, and elect their Company Officers—remaining attached to the regiment or battalion to which they belong, until the expiration of the twelve months of the original enlistment.

III. If the number of men re-enlisted in any company be insufficient to form a new company, their original organization will be preserved until within twenty days of the expiration of their term; at which date, all the twelve months' men who have re-enlisted, will proceed to organize themselves afresh into new companies, and elect their Company Officers.

IV. Whenever all the companies now forming a battalion or regiment, shall have reorganized themselves into new companies, they shall have the right of reorganizing themselves at once into a new battalion or regiment, as the case may be, electing their Field Officers, as allowed by law. But if any one company of any battalion or regiment declines to reorganize itself, the present organization will remain until within twenty days of the expiration of the present term; at which time, all re-enlisted companies will proceed immediately to organize themselves into new regiments, and elect their Field Officers, as provided by law.

V. All re-enlisted companies which may fail, within the last twenty days of their present term, to reorganize themselves into regiments or battalions, will be considered as independent companies re-enlisted for the war, and will be organized into battalions or regiments by the President, and their Field Officers appointed by him in the same manner as is provided by law for all other independent companies.

VI. The furlough allowed by law, and directed to be granted according to the distance of each volunteer from his home, is established as follows:—The volunteer there will be allowed a furlough of full thirty days at home, to which will be added by the Commanding Officer of the army a number of days estimated to be sufficient to enable the volunteer to travel home and back. But in no case will the furlough exceed sixty days, even for those most distant from their homes.

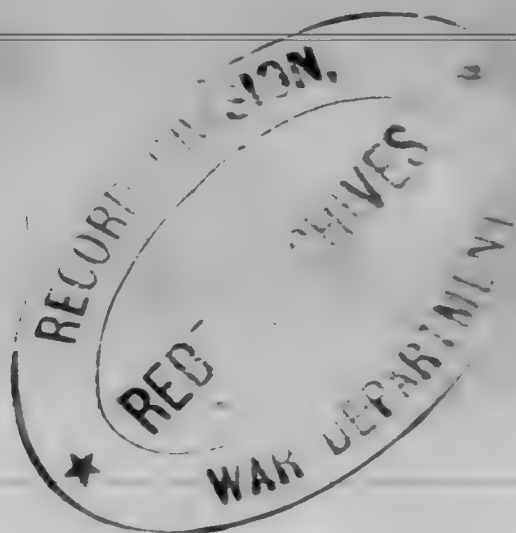

VII. Commanding Officers are directed to endeavor as soon as possible granting the furloughs allowed as above, in such numbers as may be deemed compatible with the safety of their commands, giving preference, as far as practicable, to the men in the order of their re-enlistment.

VIII. The bounty of fifty dollars will be paid to each man when he receives his furlough, at which time his transportation also will be furnished.

IX. Each man entitled to furlough may receive instead thereof the commutation value of his transportation, in addition to the bounty of fifty dollars provided by law.

General, most respectfully state that I have made application to the Adj. Genl. of this Dept. to be appointed Assistant Quartermaster in my Regiment (8th Tennessee Cavalry) and application was approved by myself & Brig. Gen. Duke and the appointment was approved by Maj. Gen. Breckinridge & his quarters master. It was also approved by Maj. Gen. Breckinridge & his quarters master. Maj. McShane who is in his endorsement that there was no Assistant Quartermaster in that Department (South West. Dist. of Tenn.) not on duty who could be assigned to duty in my Regt. The application was forwarded on the 10th or 11th of this month, either to your order the Adj. Genl. or Capt. Genl. from Nashville. Gen. Breckinridge's R. O. is but upon examination in your department & that of the Adj. & Insp. Genl. it can not be found. This is the third regular application Capt. Bennett has made for the appointment, both the former having been lost or mislaid before reaching the Department at Richmond. The first two were made in 1862, since which time the applicant has been a prisoner of war in the enemy's hands & was exchanged on the 3rd of Dec^r 1864. Capt. Bennett was ordered by the Brig. Genl. Commanding a Division in February 1863 to act as Assistant Quartermaster until he regained his Commission & on that capacity.

need of one; as Capt. Bennett has acted in that capacity
for me and so fully discharged his duty as such; having
experience and business habits and qualifications
giving perfect satisfaction to officers and men
and being unable for duty in the line, owing to
physical disability I most earnestly request his
appointment to that position. He is a citizen of
Middle Tennessee and of the Nation of Country in which
my regiment was raised - therefore the more accept-

Washington, Jan'y 11th. 1863.

Surg. Canington. Med. Director

Sir,

I beg leave respectfully to request a furlough of indulgence for six months in order to enable me to proceed to Europe for the purpose of obtaining supplies of religious literature for gratuitous circulation among the soldiers of the Confederate Army.

It is doubtless well known to you that it has been impossible since the breaking out of the war to publish the Holy Scriptures in the Confederacy to an extent equal to the demands of the demands that has arisen, under the war, among our troops in the camps, hospitals, and elsewhere. For more than thirty years I have been directly and exclusively engaged in the distribution of Bibles for the benefit of the Southern people. I have had, therefore, ample opportunity of ascertaining the wants of the Army in this respect. As I have had the best facilities personally offered me, for going abroad in pursuit of this great interest, and as

fully identified with our noble men
who are battling for peace and independence.

Being well acquainted of your Excellency's deep
interest in the spiritual welfare of our
people, I trust you will facilitate any
request I make to the extent indicated in this
communication.

Earnestly asking your early consideration
of the matter as presented, I must respectfully
refer you to the following testimonial.

Very Respectfully, Yours, H. M. Bennett

H. M. Bennett
Supt. S. S. N. Association

Richmond Dec 7. 1864.

To
His Excellency President Davis.

Sir I have a request
to make of your Excellency which I hope
it may be your pleasure to grant.

As the Superintendent of "The
Soldiers' tract Association" of the
M. E. Church South, I have been for
about two years engaged in supplying
our armies with religious literature.

Since the organization of this
Association in the Spring of 1862, we
have gratuitously furnished our armies
with more than twenty million (20,000,000)
copies of religious tracts, fifty thousand (50,000)
copies of the Scriptures, and one hundred

religious newspapers. Such has been the
demand, earnest and urgent, for the
Holy Scriptures in the Army that the combined
efforts of all the Churches have failed to meet
and satisfy it; and since the beginning of
the great Army Revival this demand has
increased a thousand fold. As no Bibles
and but few Testaments, comparatively, have
been published in the Confederacy, an im-
mense hoard has been upon importations from Europe,
but hitherto there have been made in very lim-
ited quantities. To aid in supplying the
wants of our troops in this most important
regard, it is my desire and purpose, if
practicable, to proceed to England with the
view of securing a large supply of the Holy
Scriptures.

In case I go I must run the risk
of capture by the rebel army, and in such
event I should wish to be protected by
holding a Commission as Chaplain in the
United States Army; and thus have authority

home and resume my labors in the Army.

On the other hand, if captured as a private
Citizen I might be held indefinitely and
be wholly cut off from my blessing, and
I trust I may add, somewhat ineffectual
work in behalf of the religious welfare of
our soldiers.

I have therefore to submit to your
 Excellency whether you could give me
the Commission of Chaplain in the Service, or
for the present leave me unassigned, so
that I could proceed on my mission under
the protection of my Government.

Or if this could not be done, I
should prefer to ask the appointment as Chap-
lain at this Post or one near by, so that
I could be furnished for such time as
might be necessary to enable me to accomplish
my mission.

I may add that all my labors of
preaching, writing, editing and publishing
have been directly connected with the Army.

Postoffice, Dec. 7th 1864

I beg leave most respectfully but very earnestly
to express my sympathy as to the object, which
Rev. Mr. Bennett has in view, and my hope that
the facility desired by him may be accorded. To my
personal knowledge, Mr. Bennett has been from the
commencement of the war, and is now, laboring
and for the soldiers of our army, with a
zeal, devotion, good judgment and success, worthy
of the most interesting and employment. He is regularly
connected to his work by the Church of which he is a
member, and was selected for his peculiar fitness for
the work. As a Christian, a patriot, and a gentleman
he is entitled to the greatest respect, and is worthy
of every facility which the government may be able
to afford in the prosecution of his labor of love for
the soldiers and the cause they represent.

Dear Sir,

It gives me much pleasure to unite in the recommendation of Capt D. B. Benson as a first class Surgeon of the Confederate States. An appreciation of the most intimate character extending through a period of eighteen months of active service has convinced me of his eminent qualifications as a physician, his peculiar faculty of rendering himself beloved and respected by the men, and above all his high worth and character as a gentleman. He entered the service as a private, but was soon detailed as Hospital Surgeon, and while performing his duties he was promoted to the rank of Surgeon.

the Companies of the Regiment.
During all this time he not
only discharged the duties peculiar
to his office, but applied himself
and constantly in attending and
nursing for the sick of the Regt.
His several duties were performed
with a success that commanded
respect, and a cheerfulness
which inspired the affection of
all who knew him.

This appointment would be
received with much gratification by
a large circle of friends, and would
be a boon to the confederacy, the service,
an efficient and valuable of-
ficer and a worthy gentleman.

I am with high respects
Yours to
Wm. L. Tucker

been to rely as far as possible

The Department has,

Camp 5th Lb Regt. May 31/62.

Sir

It was with feelings of deep regret that we heard that the Department had thought proper to dismiss our late Adj. (J. M. Benson) and appoint another in his place. We deem it due our late Adj. to express to the Dept our sense of the injustice done him. We know that none could have discharged the duties more punctually, more officer-like and with more fidelity and courage than he and we are sure that none could have done so man-fully more gallantly, and more earnestly, than he in time of battle. His conduct as Adj. in all the sanguinary engagements of the Atlanta Campaign was noted and appreciated by the Officers & men of this Regt. while complimented by the Regimental Brigade Commanders at the time and since. We can not believe that the Department with a full knowledge of the facts in the case has deprived this gallant & meritorious Officer of his position but suspect there must have been a misapprehension of the circumstances in the matter.

It is proper for us to state that J. M. Bussan
 did all the duties of Asst. from about the birth
 of Aug/62 including the Maryland campaign,
 and until we returned to Winchester Va where
 his health shattered by the exposure and ^{the} odorous
 labor that had devolved upon him he was
 furloughed for 40 days by the Medical Board.
 When he returned to his post for duty Col
 Howard had come in and taken command of
 the Regt. He reported at once to the Col. b.
 his duty, but the Col positively refused to
 allow him to do duty in the Regt. and has
 kept him with the Regt ever since (until recently)
 then allowing him to discharge the duties of
 his office or permitting him to go elsewhere.
 Surely in looking at the circumstances in
 this case one can but conclude that injustice
 and certainly have been the reward of gallantry
 and merit. We enter this as protest against
 the unwarranted treatment he has received and
 hope soon get that the Department will
 examine the facts and remove the
 stigma that has been inflicted on an
 brave soldier who has fought so well, so long, for

his Country, and even by his color, such
 a name for himself.

the meat or any monthly returns for
March and the transfer entry of the money
or any other current.

Very Respectfully,
Richd. A. Benson Capt. A.C.S.

I am going to Atlanta this week to settle up with
Major Shackleford Combs for that first
Economy as to my ~~disposition~~ made near this
post. The Consolidation returns are made up for the
purposes of the settlement from the morning re-
ports of the time they come. No more made before
I was relieved by Capt. Robinson, the Officer Com-
manding, (Lieut. J. J. Bailey) seeing to it that I was
one without them. I was assisted by a board
consisting of Major Locke and Capt. Robinson detailed
by Gen. Ilwaco Combs to this Military Diet, for the
reason that Lieut. Col. J. W. Mangum was temporarily
in command of the Regt. refused to obey the Gen's
order to make the examination. The quantity of
provisions issued over those used each month
is carried forward to my credit on the follow-
ing month's account, because of the irregular-
ity in the invoices and receipts. If I had not
done this, I would often have had to enter very
large gains in issuing, and at other times an
unwarrantable wastage. The bill of purchase was
made under the following circumstances. Major
Locke turned over to me \$65.⁵⁰ to purchase back
provisions from Troops according to the Regulation
I did withhold the Salt Beef from issue to the
value of \$65.96 and instead of paying the money
over to the Companies, I got Bacon for them
with it, at their request, I bought at various
times as it was ~~needed~~ and have taken from
the tender one receipt for the whole, with
Major Locke's approval, making the proper entry

Cal. ... 1898 ...
In sending the acc^{ts} of Capt. Benson a
C. O. of the 89th Regt. - for the adjustment of which
I am indebted largely to the liberality of Capt. Robertson
and by so doing. The thing is, as far as I know,
the last that was waiting to complete the entire
from this Mil. Department. It affords me great
satisfaction to say this.

Capt. Benson's letter will fully explain
the detention and irregularity which occurred
in these operations. Called upon to perform a service
that service - suffering from debilitated ill health,
placed in a Regiment - unlucky from the
beginning - and in which almost every thing
has gone wrong. He has had much to contend
with and has fallen behind. These accounts have
been ought to be deemed satisfactory I think, as
the Government is actually the gainer by the irregularities
which have occurred - as the gain is enormous.
The 89th has not rec^d its full allowance, it
is in great degree attributable to the incompete-
ncy and neglect of its commanding officers -
Capt. Benson is protesting himself from loss
of protection ~~from the Government~~ and all is well that ends well

Most Truly Yours

In transmitting these accounts I beg to express my gratitude to make regular returns during the stay of my Regiment at Atlanta. I have to say, that I was not regularly appointed. Asst. I performed all the duties, but expecting constantly to be superseded by the Candidate recommended by the Regiment. I did not inform myself as to the duties of my office, to the extent that under other circumstances, I might. We were in a embryo state and consequently many irregularities are apparent. I received no instructions from any source, that I considered entitled to regard except occasionally from some of the staff officers and a good portion of the information there obtained, I have since found to be incorrect. I need no regular invoices and signed no receipts for Commodities &c. I can approximate very nearly if not report correctly my issues to the troops during the interval. Through friends at Richmond I made application for a Commission, but owing to some cause, the failure or refusal of Col D. J. Bailey to comply with the regulations of the War Department, and others unexplained I have failed to receive one. Our removal from Atlanta to Savannah has interfered with my matters so returned for the first portion of my administration.

this effect directed to the Surg of

"I have to request that
the appointment of Aft Surg

cancelled as he has never reported
for duty"

In the last of the season
was at early in the fall of 1862
Dr Benson, who had been severely
wounded at Malvern hills and
examined in Charleston. He came
to this city to my house. I
came with him to your office
of attendance him, he found

a letter in which his resignation
was refused as satisfactory,
this was accepted in
stead of a formal report

He remained at my home
a few days received orders to go
to Muckleston (the army being in
the upper Potomac) as in MS/1
from that time to this he
has been continuously on duty
his health having suffered from
exposure

There must be some

Sir,

Some twelve or fifteen days since, I addressed
ed you stating that I had sent two accounts
at different times to the Surgeon General. That
they had been approved and sent by him to
the Treasury Department for payment, and
requesting an early reply. Thence then I have
not heard from you.
I may state to you that I came to Savannah
without claim for office, accompanying an
Alabama Regt. (the 3rd) during most of the period
furnishing my own pay, being my
own expenses, and furnishing my own transportation.
For this I made no charge against
the Confederate Government or the Soldiers.
When, in the fall of last year, my health
became so crippled that I was under the necessity
of leaving the Regt. I entered the Hospital
at Knoxville on a contract. This was the first
step for service. During the four months which
I spent in the hospital, I furnished medical
services, and it was necessary in a number of

W. H. S. Taylor Esq/

Second Auditor,

Sir,

In reply to your letter of 1st inst. relating to the A/c of Capt B. C. Benton I would respectfully state, that the irregularity occasioned by the order of Gen: McCulloch had better be repaired as far as it is possible. Whenever a proper account can be rendered of any of the money seized and taken from the Tax collector, it would be well to accept that account as a voucher for so much of the money. To carry out this plan, you will please give to Capt. Benton a certificate showing that he has duly accounted for so much of the money. Capt. Benton can deliver this certificate to the Collector, and directions will be given to the Treasury to accept the certificate as evidence of so much money received and paid out at the Treasury, for which the proper warrants will be issued when the Tax Collector's A/c are settled.

Very Respectfully,

Gen. Chase please find copy
of letter from Major J. H. Davis. It has to be sent to
McClellan's Bureau. The Major says that he has
McClellan's for your information respecting
infractibility of obtaining service in your
Command the manner in which other Regi-
ments have been filled up with an official
letter signed from Major Davis. It has been made the
a provision by the War Department to the ap-
proval of the President of the United States as
first Surgeon of our Regiments. With regard
to the defense of the Regiments we are directed to say
that the best remedy respects you to hold them
long as possible with the troops at your Command
not to abandon it unless actually necessary
then to remove such property and thus as

you have the means to do it. I have
by me the most perfect evidence I can
get of the necessity of the measure. I have
himself, who is a man of high standing in the
state and of the most honorable and useful
character, and who is a man of high standing in the
state and of the most honorable and useful

We have no doubt but that the measure will be
able to hold the State and the Nation against any
force that may come against it. Where
the security is so great, if you think it
most practicable a defense the time, than
to have the State take that course or
must stand before they reach either if
practicable. But do not give up yet, there
if there is any hope of success. If you
quer we must fight, & he is well aware
that there is true courage & patriotism
in your Committee. But only wants
to meet the formidable enemy with our
dying laurels.

Recommending Capt
B. E. Benton for Capt
Cavalry. C. S. A.

Relevant to July 7/63

Fort Bluff Ark
March 10th 1863

His Excellency

Jefferson Davis President of the Confederate States

I write to recommend
Capt B. D. Benton who is now act adjt Genl on
my staff for the appointment of Captain in the
Cavalry service in our regular army when it
will supply the place of the Provisional army.

He has distinguished himself as a
brave man, remarkably cool in danger in
battles with Mexicans and Indians on the
Texas frontier, and bears honorable scars
from wounds recd in defence of his State (Texas)
when a mere boy.

He has been in the service of the Confed.
Army as a Lieutenant of the line and as
aid. de camp and act adjt Genl on my staff
ever since his first troops were called
into service.

He is a gentleman of excellent
moral character, sober, high minded, and
honorable, and worthy the confidence of all
good men, his manners habits and
disposition fit him for the position.

His business qualifications are
good, and his experience and studious
habits have already qualified him for it.

to a very considerable extent, a
little actual service in com-
mand of a Company would be a most
excellent officer.

He is remarkably popular with my
Command and could easily raise a
Company of excellent men for Cavalry
service, which he would like to raise
for Col Van Dorn's Regiment.

If the appointment is made I will
guarantee that he raises a first rate
Company, ~~and~~ if he fails to do so,
or does not make a good officer,
that he will return the Commission.

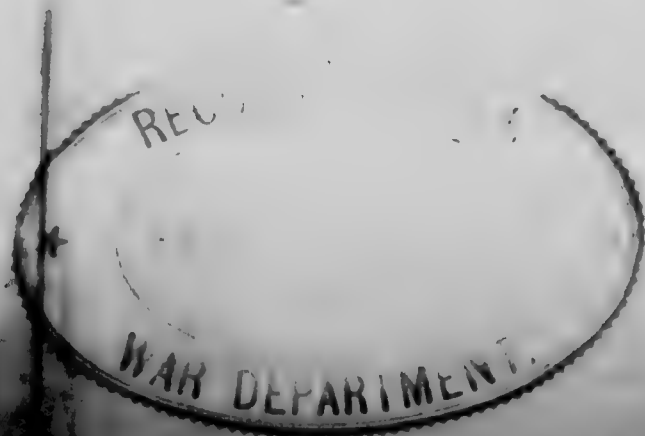

Should this appointment be made
I shall report it as a personal
favour done as well as to the Captain
I have the honor to be

Most Respectfully

Your Obedt Servant.

Admiral Sir John
Lambton
100 West
London

My dear Sir,
That by letter of the 11th inst. I have
received information, for this purpose
has been sent to that effect, by the
action & which you will see that we have
not ammunition enough for the defence
of this place, and I wish to
inform you that I have initiated ready
Requisitions upon the Ordnance Dept
at Hounslow for a larger amount of
Ordnance Stores, but have not yet ob-
tained enough to make up for some
of the loss, which was the order of Long
Magazine, being entirely dependent
upon the ord. Dept at Hounslow for am-
munition. I deem it proper to call your
attention to the facts of the case, in order
that the blame may rest in the proper
place, should, we not have enough to
defend this Port, a month since I ad-
dressed a letter to Maj Gen Maguier

Lt. S. D. Gancey
A. B. S.
Lieut.

I have the honor respectfully to call your attention to a matter of importance to me in relation to my Pay &c. Capt. Stone Agm at this place refuses to pay me because I have no commission as Capt. I submit the following explanation upon which I demand that he should pay.

I was selected prior to this service with my Regt. & ordered to report for duty to Gen. Baylor, by the Sec. of War. He assigned me to duty as 1st Lt. of arty & actg. Ord. Officer of his Brigade & afterwards as Captain of Artillery (Gen. B. had special authority from the President, to appoint his field & Staff Officers)

In reply to the notification of my appointment, Col. Gorgas says by order of the Sec. of War. that while Gen. B. has no authority to appoint an Officer of Artillery for Ordnance duty still "he can draw the pay of the grade to which he is assigned, as an Artillery Officer" upon this appt. I have drawn my pay as a Captain

for a whole year, nor am I the
only Ord. Officer so situated. Capts
Hood, Samuels, Scott, Chilton & others
draw their pay upon similar appointments
made by Generals who had not
special authority to appoint. & besides
they belong to no Regiment, whatever.

But supposing my appointment
is of value, I have a position
in the Rank, I am a Captain
in my own Regt. The 1st La. Reg. Infy
My promotion dates from the Battle
of Mansuetoro, I enclose an extract
from a letter of the Major of the Regt.
informing me of the fact, which is the
only proof I have. - The distance is
unfortunately too great to produce the
must rolls of the Regiment, but it
should be sufficient, as there are many
Officers similarly situated on this side
of the River at this time.

Notwithstanding that I have produced
a certificate from Maj. Harrison of my
last payment as Captain - Capt. Stoy
refuses to pay me without an order
from Genl Magruder, which I respec-
tfully request, apologizing for the
length of this epistle.

Very Respectfully,

Your Obedt. Servt.

For the assumed authority of Capt Scott the
operations of the Ordnance Department at this

these. I telegraphed Capt Scott for ammunition
to supply the 100 Rounds to each gun ordered
to be supplied by Genl Magruder.

I have been forced to communicate with
him very often on the subject because sufficient
attention was not paid by him to my
communications. He takes umbrage at my
letters and dispatches and telegraphs and
an insulting message and finally takes
the liberty of ordering me not to address him
again excepting through you etc etc. I respectfully
protest against this assumption of authority
believing he has no right to command me in
anything. He is assigned to duty as Insuring
officer of the Eastern Sub District, and no orders
have been published to the effect that Ordnance

papers are under his command. And in doing
the duty of a subaltern and as to sign
on his letter, the way would be different.
The orders come from the West, yourself,
the subaltern etc etc. I have matters of
importance to communicate to Capt Scott
relative to supplies, but I am at a loss how
to proceed, until I am instructed by you.

I would also state that I have never
